BERTOCHGG

IT STUDENT

UNIVERSIDAD POLITÉCNICA DE TLAXCALA

ABOUT ME

I am a solution-focused developer in his last cuartermester in college with experience in web-based applications. Participated in development and implementation of IT products. Supported companies bussines objectives and strategies while gaining real-world experience. Passionate in working with multi-disciplinary teams, always opened to learn new technologies which can help company's objectives. Accustomed working in agile environments.

EXPERIENCE

Web Developer Intern

Grupo ABX – Tlaxcala, México

April, 2022 – June, 2022:

- Prioritized and problem-solved several tasks concurrently with minimum supervision.
- Studied user requirements to gain strong understanding of Project initiatives and deadlines.
- Collaborated with leaders and development team to brainstorm new ideas.
- Built products from scratch using HTML, CSS, JavaScript, PHP and CodeIgniter.

Guidewire Developer Trainee

Deloitte – Queretaro, México

November, 2021 – January, 2022:

- Used interpersonal and communication skills in interactions, enriching team collaboration on Guidewire training Project.
- Wrote Gosu (Java) scripts for practices, indexes, tables and queries analyses.
- Interacted efficiently with different trainers, being Indians the ones I interacted the most.
- Built functional interfaces using Guidewire technologies through Gosu and SQL code.

Front End Intern

La Colmena – Tlaxcala, México

September, 2021 – January, 2022:

- Coordinated with different art and design teams to get content for updates and expansions.
- Integrated creative elements for the story telling Project.
- Created interfaces using HTML, CSS, JavaScript and Reveal.js.
- Contributed to the project within Scrum project management environments.

Database Developer Intern

ALBA DTI – Tlaxcala, México

September, 2020 – January, 2021:

- Created and updated database designs and data models.
- Built databases and table structures for web applications.
- Created different types of datasets for ALBA DTI's courses programs.
